

Spirit Of The Game Award  
In Honor Of  
Cody Holp

Cody Holp, a 2006 Graduate of Tri-County North High School, was a member of the 2007 Bluffton University Baseball team that was involved in a bus accident in Atlanta, Georgia on March 2, 2007 on their way to Florida for spring training. Cody was one of the people who lost his life in the accident. Cody was an outstanding pitcher and outfielder for Tri-County North, and received 2<sup>nd</sup> team all area from the Miami Valley Baseball Coaches Association as a pitcher for his junior and senior seasons.

In honor of Cody Holp, the MVBCA will be awarding the “Spirit Of The Game Award” to a **SENIOR** who exhibits outstanding character, spirit, sportsmanship, citizenship, and a passion for the game of baseball.

Nomination forms must be completed by a head coach that has met the qualifications to be a member of the MVBCA and turned in by April 15. Nominations should be mailed to Kevin Bowdle, at 500 Washington Avenue, Urbana, Ohio 43078. On the Wednesday after April 15, I will send all nominations to the officers of the MVBCA and they will narrow the field down to five candidates. I will then take those five and make a packet that will be available for you at the all area meeting. Each coach of the 5 candidates will be given 2 minutes to talk about his player and then all coaches will vote and select the winner of the award.
